Without limiting the generality of the foregoing, in no event will HARA Technology or any of its affiliates, employees, directors, officers, or agents be liable to you or any other person for any direct, indirect, incidental, special, punitive, or consequential loss or damage, whether arising in contract, equity, tort, or otherwise (including breach of warranty, negligence, and strict liability in tort). Such loss or damage includes, without limitation, damages arising from delay, loss of goodwill, loss of or damage to data, interruption in use or availability of data, loss of use of money or use of products, lost profits, revenue or savings (actual or anticipated), or other economic loss ensuing from or in connection with the HARA Technology Platform or the Services, even if HARA Technology or any of its affiliates or suppliers has been advised of the possibility of such damage.

No single or partial exercise of such right or remedy will prevent or restrict the further exercise of that or any other right or remedy.

16 TERMINATION

These Terms of Service will continue to apply until terminated by either you or us under any of the following circumstances.

- (a)** You may end your agreement with us at any time for any reason by deactivating your user account and discontinuing your use of the Services. You do not need to specifically inform us when you stop using the Services. Where such deactivation and discontinuation affects your use of third party services or products, your continued use of or access to those services or products will depend on the terms of use of those third parties.
- (b)** We may suspend or terminate your user account, or cease permitting you access to the HARA Technology Platform or the Services at any time for any reason, including if we have reason to believe that: (i) you have violated these Terms of Service or (ii) you create any risk(s) or possible legal exposure for us; or (iii) our provision of the Services to you is no longer commercially viable. In the event of any of the above, we will make reasonable efforts to notify you by the email address associated with your user account or the next time you attempt to access your user account.
